National Seminar On “HIGH PERFORMANCE INDUSTRIAL FLOORING”

On Friday 3rd December 2021 at 9.30 AM

Venue: P.S Auditorium, Dayananda Sagar College of Engineering, Bengaluru

Introduction: Today Industrial floorings plays a very vital role in productivity, efficiency & safety. Flooring practices have gradually changed from the conventional Tremix Flooring to New age flooring such as Jointless & Seamless flooring. Floor protective coatings come with varied options as Densified and Polished flooring or innovative Resin toppings which are more durable than conventional epoxy systems. This one-day seminar focusses on Design and Execution of High-performance industrial flooring.

In line with this continuing endeavour, ICI-BENC is organising a one-day national seminar titled “Industrial Flooring” on 3rd December 2021 at Dayananda Sagar College of Engineering, Bengaluru. Get to know from the experts and hands-on-training with professionals on vital aspects. We look forward to meeting you at this seminar for a wonderful interaction of with professional and mutual skill development.
