Contracts for Infrastructure Works

15th October 2022, 9am to 6pm
at Vivanta by Taj President, Cuffe Parade, Mumbai

SPONSORING ORGANISATIONS

OBJECTIVE OF THE SEMINAR

The *pace is now right* to analyse and examine the changes that the two years and more of the pandemic thrust upon the judicial thinking, processes and procedures for contracts especially those related to the extensive Infrastructure development in the country.

The term '**Infrastructure**' is used here to imply all sectors - Roads & Highways, Railways & Metros, Shipping & Water transport, Airports, Water, Wastewater & Solid Waste, Power, Irrigation & Flood Control, Townships, Smart Cities, Buildings, Hospitals & HealthCare, Industrial, etc.

The **Consulting Engineers Association of India**, based on similar successful interactions and the feedbacks received, brings yet another opportunity for discussion on current topical issues in the legal eco-system which would cover:

1. Current Judicial trend and issues in Limitation of Interest clauses in Contracts
2. What the Future outlook would be vis-à-vis Operation and Interpretation of Force Majeure clauses in Covid-19
3. Recent Judicial Pronouncements on Liquidated Damages
4. Right to Claim variations and acceleration/ damages and time extension in Contract Execution
5. Design Liability in Design and Build contracts
6. Final & Binding- Engineers Determination Clause- With reference to Indian Contract- How can this be Challenged?

Ample time will be slotted for interaction with the attendees.

ABOUT CEAI

Consulting Engineers Association of India (CEAI) is the apex body of consulting engineers in India. CEAI represents the Indian Engineering Consultancy profession at the International Federation of Consulting Engineers (FIDIC).

CEAI has, behind it, **over 60 years** of accumulated knowledge and experience. CEAI Membership comprises of practicing consultants, private and public sector firms engaged in the entire range of engineering consultancy services.

CEAI looks after the interests and enhances the status of consulting engineering profession in India and is equally concerned with quality development, productivity enhancement and promotion of ethical practices. CEAI has established linkages and strong bonds with its counter parts in various countries and is a staunch advocate of global networking and co-operation.
