ABOUT ACCE (INDIA)

Association of Consulting Civil Engineers (India) was formed and registered in 1985 by a group of Consulting Civil Engineers in Bangalore. ACCE(I) has its head quarters at Bangalore and has since grown into a National Association with **34 Centres** formed all over India at **Ahmedabad, Akola, Bangalore, Bidar, Belthangady, Chennai, Coimbatore, Chidambaram, Chandwad, Davangere, Delhi, Dharwad, Erode, Goa, Hassan, Hubli, Hyderabad, Indore, Karimnagar, Kakinada, Kanyakumari, Madurai, Mangalore, Mumbai, Mysore, Nagpur, Nashik, Puducherry, Palghar, Rajamahendravaram, Sangamner, Tirupati, Vijayawada, Vishakapatnam.**

Broadly, the objects of the Association are:

- To encourage and foster the ideals of the profession.
- To hold conferences/meetings/seminars for dissemination of knowledge amongst the Civil Engineers in particular and society in general.
- To promote friendship, establish rules for professional and

ethical conduct and to develop social awareness and responsibility amongst the members.

- To bring the latest technological advancements in the world to the members and prepare them to carry out futuristic design with an eye on assurance of quality.
- To facilitate access to technical papers, books and computer software.
- To arrange lectures by distinguished Engineers/Professionals from India and abroad and conduct study tour of projects.
- To act as spokesman for the Consultant to deal with Government, Corporations and other agencies regarding policy matters.
- To identify the areas in which the Consultants can contribute to the betterment of the country like Rural Housing, Urban Development, Low Cost Housing, Infrastructure Development, Economic and Safe Design and Construction Practice, etc.,

ABOUT REDECON

REDECON, a biennial marquee event by ACCE (I) – Bangalore Centre. ACCE (I)-Bangalore, in its constant endeavor to serve the Civil Engineering Fraternity, has been organizing National and International Seminars / Conferences once in two years on the themes relevant to the current trending technologies in the domains of Civil Engineering while providing a great networking platform.

REDECON is now an event that is eagerly looked forward by all the Construction Industry stakeholders. Nine such successful events have been held starting from 2005 and continued in 2007, 2008, 2010, 2012, 2014, 2016, 2018 and 2020.

REDECON 2022 this time in November, is a two day National Seminar with an excellent lineup of featured Speakers in the ecosystem. The Seminar will also have an Exhibition relevant to construction industry.

ABOUT THE SEMINAR

Large infrastructure projects exert significant impact on the society as a whole and contribute in shaping the social, the economic and the environmental conditions. Sustainable development will infuse key benefits to society through enhanced inclusiveness, transparency, environmental protection and eco-friendliness. Adoption of Sustainable Development strategies is inevitable in achieving the SDGs. The Seminar aims at addressing several key issues.

Key Deliberations

Following key themes are expected to be discussed broadly during the seminar.

- Innovative and emerging trends
- The value of sustainable infrastructure
- Equitable and inclusive community infrastructure
- Technology and smart communities in infrastructure
- Fibers and Non Metallic Reinforcement
- Advanced Materials for Sustainable Development
- Green Cities and Buildings
- Circular Construction
- Approach to Sustainable Development (NBC 2016)
- Climate Resilient Structures
- Sustainability Ratings and Evaluations
- Sustainability as business opportunity
- Digital Solutions for Sustainability

Who should attend

- Practicing Civil Engineering professionals including complimentary Engineering domains
- All those connected to Construction and Infrastructure Sector
- Housing Sector, Commercial sector
- Manufacturers, Supply Chain Entities, Facilitators, Innovators, Entrepreneurs
- Design consultants, Architects, Service providers, expert applicators.
- Academicians, Researchers, Students.
- Governmental Organisations and Decision Makers in Private and Government Sector
- Professional Engineers registered with ECI

Take-aways

- Opportunities in addressing Challenges to Civil and related issues
- Opportunity to revamp Procedures and systems towards greater compliance
- Getting to know the latest in technology and developments in recent times
- Getting to know professionals from varied branches of Civil Engineering Construction
- Greater Brand exposure and product awareness
- Identification of Solution providers to various demands of the Industry.

Confirmed Speakers and Topics

Keynote Speaker

Vasudevan Suresh

Vice Chairman
National Building Code of India

Topic:
Risk Analysis and Impact of Climate Change on Built-Environment

Sandeep Goswamy
CEO, SG Associates
Mumbai

Topic:
Carbon Credits, Energy Efficiency and Business Strategies

Mohan Reddy
Director
Zenith Energy Services
Hyderabad

Topic:
Integrating Sustainability Principles in Achieving Carbon Neutrality in Buildings

Rohan Parikh
CIO, McDBerl,
Bangalore

Topic:
An overview of Resource Efficiency and Energy Consumption in Construction Projects during their Lifecycle

UV Krishna Mohan Rao
International Specialist -
Energy, Water & Sustainability
UVK Associates
Chennai

Topic:
Waste Water Treatment and its utilisation in the context of Construction Industry.

Vikas Bramhavar
CEO, Transwaters
Bangalore

Topic:
Water Restoration in a Construction Project-Acase Study

Arul Sekar P
Director,
Nansey Water Restoration,
Puducherry.

Topic:
Clean Air Matters - the path to Sustainable Construction

Radhica Kanniganti
Head, Engineering & Product Development
Devic - Earth
Founder - Kapokseed Innovation Platform
Bangalore

Topic:
Construction Waste Management

Chandrashekar Bhat M
CEO, Trashin Recycling Pvt. Ltd,
Bangalore

Other Topics to be discussed

- Sustainable Construction Materials AND Material Ratings
- Achieving Net Zero Energy Buildings
- Sustainability Ratings and Evaluations
- Design Directions and Methodologies
- Construction Waste Management

DELEGATE FEES

ACCE (I) & Associate Partners Members ₹ 4000/-
DELEGATES ₹ 5000/-
STUDENT DELEGATES ₹ 2000/-

Plus 18% GST

(Registration fee for two days includes Delegate Kit, Conference Proceedings (CD), Souvenir, Lunch/ Coffee/Tea & Certificate of Participation.

SOUVENIR ADVERTISEMENTS:

A Souvenir will be published on this occasion. Advertisements will be included in the Souvenir. The tariffs for the advertisements are as follows (which includes 18% GST as per Government directives)

Full Page Colour Rs: 20,000
Half Page Colour Rs: 10,000

EXHIBITION

- Concurrently with the Conference, an Exhibition is also being planned on the themes of the Conference with many exhibitors displaying the latest equipment, techniques, services and software.

SPONSORSHIP AND ENTITLEMENTS (Exclusive of GST@ 18%)
